

## Coach's Message

I am honored to serve as the Head Coach of Northwood University Timberwolves Football. I'm grateful for the program's storied history and eager to build upon a legacy of strong competition and making a difference on and off the field.

The Point After Club (PAC) is a game-changer for Timberwolves football. With great appreciation, I thank the PAC volunteer council and the Advancement team for their early leadership to create a meaningful and sustainable fundraising strategy that will benefit scholar-athletes, energize Northwood University football, and make the team more competitive.

From a recruiting and retention standpoint, the scholarships provided by the PAC allow us to level the playing field against our competitors. The PAC provides added confidence to attract the best young talent from around the country. While here, we will develop their skills on the field, and help them realize their full potential in the classroom so they can enjoy a full life well spent.

I'm excited for my first season as head coach, and competing in the Great Midwest Athletic Conference with your support. Thank you for making a tangible difference in the lives of our student-athletes.

### **Dustin Beurer '22**

Head Football Coach at Northwood University

## Chair's Message

Hello! My fellow football alumni, family and friends of Northwood Football.

We are pleased to introduce you to the POINT AFTER CLUB as we prepare for its formal launch. To those that have already committed their support to this great initiative, we thank you. To those that remain undecided or that we have yet to reach, we invite you to participate and welcome your support.

Our mission is clear and our objective is simple. Ultimately however, our long-term success is dependent upon each of us stepping-up to support this great University and the football program as a whole. To that end, the PAC is meant to be inclusive and donor friendly.

In advance of the formal launch, we invite you to learn more about this exciting initiative by visiting the website at <http://www.northwood.edu/PAC>.
