CHAIR'S MESSAGE

Let me once again thank our outstanding alumni, family members and friends for their support of the Point After Club. Your donations allow our football program to stay competitive by providing vital dollars for Coach Beurer and his staff to use for scholarships, recruiting and other required expenses. As donors, you can rest assured that your dollars directly impact the football program and will continue to play an important role in the team's success both on and off the field. I want to thank Coach Beurer and his staff, Leonard Haynes, Brent Domine, the P.A.C. Board Committee members, as well as all others involved, for their continued and tireless efforts for this great initiative.

I continue to urge our alumni and friends to spread the word on the P.A.C. and donate whenever possible. Although we've done some great work thus far, we still have some work to do to create a sustainable and long-term fundraising plan to allow the program to continue to compete at the highest level within the GMAC.

Thank you again and Go M.A.D.!

COACH'S MESSAGE

Greetings to our Timberwolf football family, Over the past year, meeting many passionate alums and supporters of our football program has been a pleasure. Your unwavering support has been instrumental in the strides our football program have made over the past year and a half.

We are pleased with the progress and growth the men in our football program have made over the past year and a half. Although we have shown steady growth and improvement, we will continue to relentlessly pursue our goals of being better men and chasing the GMAC championship.

I am incredibly grateful for the inaugural Point After Club campaign and the role it will play in achieving future success within our program. We aim to recruit top talent to Northwood University and provide our men with an unmatched student-athlete experience.

The Point After Club is a game changer for Northwood University Football. With your help we are able to advance our program as we face the rising costs that come with running an elite organization.

On behalf of our coaches and student-athletes, I want to thank those who have made a difference in our program. Your continued support will profoundly impact the experience and lives of the men in the Northwood University Football program.

Go T-Wolves,
