

**Dear Timberwolf Fans,**

It is an honor to serve as the Head Men's Basketball Coach here at Northwood University, and I am excited for the opportunity to contribute to the rich history of a program built on family, growth in our young men, and strong competition.

Winning consistently requires teamwork, and we want you to have the opportunity to invest in our program. The purpose of the 6th Man Club is to support and enhance Northwood Men's Basketball. Your contributions help provide opportunities to compete against the nation's elite teams and allow our young men to experience travel and competition they may not otherwise have the chance to enjoy. Recruiting at a high level is the heartbeat of any successful program, and the scholarships provided through the 6th Man Club enable us to compete on a national stage. Your support allows us to recruit top student-athletes not only from Michigan and the Midwest, but from across the country.

The 6th Man Club plays a vital role in sustaining and advancing the success of our program. I want to express my sincere appreciation to the 6th Man Club Council, Athletic Director Jeff Curtis, and the Advancement Team for their leadership in developing a meaningful and sustainable fundraising strategy.

My family and I feel truly blessed to be part of the Northwood University family, and we want to thank you for your continued support and generosity toward our Men's Basketball Program.
