Liberty and Legacy: Celebrating 250 Years of the United States of America

Since 1959, Northwood University has shaped automotive leaders. On September 18, 2026, we're marking America's 250th anniversary with our most significant gala yet.

For 16 years, this sold-out evening has driven over \$2 million in scholarships while bringing together the automotive industry's most influential leaders and visionaries. This is a fundraiser to support scholarships for the next industry leaders - but it's also where deals are made, legacies are forged, and the future of mobility takes shape over dinner.

This year's theme celebrates being in the room where it happens, where every sponsor supports students, and helps secure their place in the industry's next chapter.

Space is limited. Seating is assigned by sponsorship tier.

To reserve your place or learn about exclusive sponsorship opportunities, contact Jen Carpenter at carpenterj@northwood.edu or 989-837-4465, or visit northwood.edu/gala.
