

NORTHWOOD UNITY

— NEVER FORGET —

SILENT MEMORIAL WALK FOR THE COMMUNITY

WALK THROUGH A MEMORIAL HONORING THE 2,977 LIVES LOST ON SEPTEMBER 11, 2001.

In partnership with the Great Lakes Bay Veterans Coalition, we invite you to experience a tribute featuring plane-sized outlines, a scaled representation of the Pentagon, actual-size footprints of the Twin Towers, memorial markers for those lost, twin beams of light, an American flag display, and educational exhibits. Continue into Hantz Stadium for a silent memorial walk, optional stair climb, and the names of those lost displayed on the video board.

Inside each memorial tribute you will see a memorial marker that represents a victim of the 9/11 attacks. Flags were chosen to represent those lost at the Pentagon and AA Flight 77. Blue and white pinwheels were chosen to represent victims from Ground Zero, AA Flight 11, UA Flight 175, and UA Flight 93. A poppy pinwheel is placed by each of the expectant mothers' memorial markers to represent their unborn child. These poppies represent children who never took their first breath, families who never held them in their arms and countless moments that should have followed; birthdays, first steps, laughter, and lives filled with possibility.

Today, we pause to honor these individuals. We remember the lives they lived, the futures they carried, and the love that continues to keep their memories alive.

At these times a cannon blast will be heard to recognize the events of the morning of September 11, 2001. A small air-horn blast will be sounded 30 seconds prior to each blast.
