

Automotive Aftermarket Managers Education Award (AAMEA) Nomination

Please read carefully: Awardees are aftermarket professionals in the automotive aftermarket field who have made noteworthy contributions to education, public or private, on any level, inside or outside of the industry. They are people of stature and the award is recognition of substantial dedication over a number of years to the educational process and the field of the motor vehicle aftermarket.

Nominators may elect to ask their nominee to complete certain portions of this nomination form for completeness and accuracy. It is vitally important that nominators take care to include the most significant contributions of the nominee and to carefully ascertain the accuracy of the data supplied. The citation of selected awardees is taken from the nomination form, thus highlighting the need for completeness and accuracy.
