Additional credit hours may be required for CPA licensure and licensure requirements vary by state. Students are strongly encouraged to research the licensure requirements within the state they will be testing. The state boards make the final determination of courses that count towards CPA exam eligibility. To locate a state board of accountancy, please visit <http://nasba.org/stateboards/>.

Northwood University is devoted to continuous improvement and reserves the right to revise all curriculum guides or academic programs. To fulfill graduation requirements, students are to complete the curriculum guide that is in effect at the time they are enrolled at Northwood University.

I have read and agree to the provisions of this transfer agreement. I will meet with the Northwood Representative if I have any questions.
